

FAKE NOTE SORTER - CAC III

Indigenously programmed software

Necessity is Mother of INVENTION CACIII

Truth unhide....

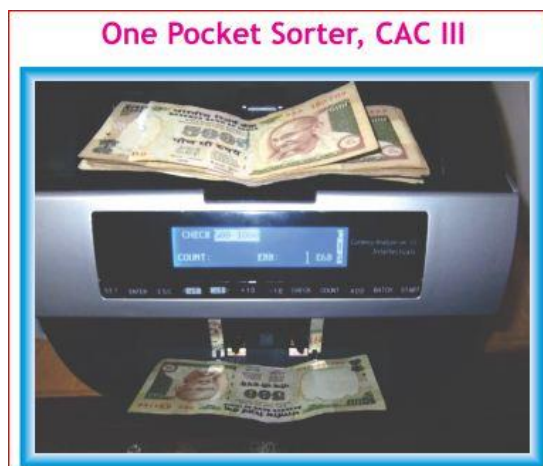

“All Loose note Detecting machines understands
Only Magnetic Signal , Not the Currency !”

If magnet found means TRUE Currency !
But , machine has not Interpreted as Currency
but only as Magnet = Yes = REAL !

Observation of Currency Series Result as per RBI Circulation .

< 2005 currency has NO Magnet = 0 signal = **FAKE** though its **REAL** Currency
> 2005 year currencies are Magnetic = +ve = 1 = **True**
Now ,95% Forged notes has Magnetic= 0 =hence **Fake**
5 % Forged notes are with Magnetic , +ve = 1 = **TRUE**

Tomorrow 5% can be Higher ! & Existing Machines which
actually does not verify currency but only Magnets will be Useless

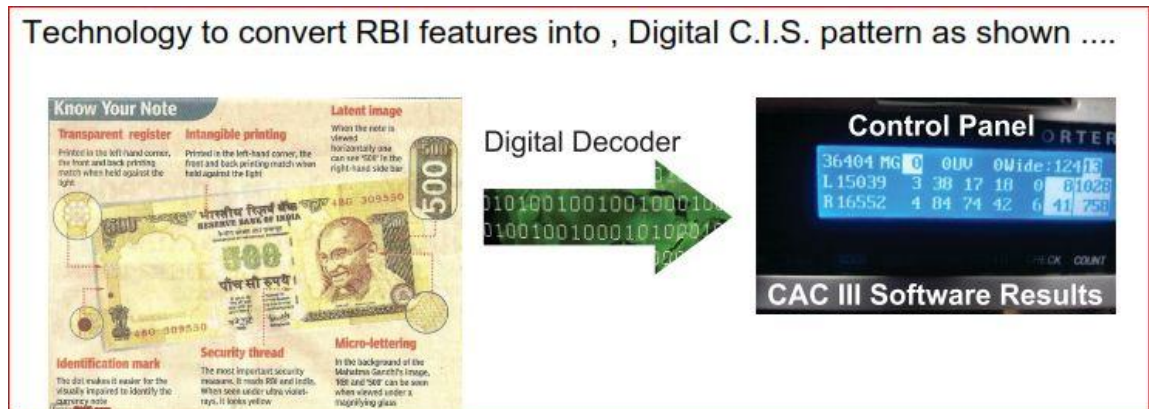

the **i**³
INTELLECTUALSMake in INDIA , projects

Launching, ONE POCKET SORTER, under Make in INDIA Project, to protect Indian banks from Fake note Threat !

Already Proven at Currency Chest, Allahabad bank Zones , Jewellers, heavy cash volumes branches are using since 3 years.

See the Picture, how Digital C.I.S. works ...

Digital Inspection system (D.C.I.S.) Evaluates for Authenticity as it does not depend on just MAGNET signal ! . Hence found very useful , next to Sorting machine to re sort Real notes from REJECTED Pocket results !

In collaboration with ECB certified Company (EUROPEAN CENTRAL BANK) , GOOAO

INTELLECTUALS

TECHNOLOGY	DIGITAL C.I.S.
INFRA RED	IMAGE PENETRATION
Function :	500-1000 Mixed Checking <=100 all currencies Detection <= 2005 year Sorting as Separate Function
SPEED :	1200 Notes Per Minute with Fake note Sort
INPUT Load	5 Packets (500 Notes) in Non stop Loop
Error Codes	Each fake note has ANALYTICAL reason
COUNT RESULT	True notes & FAKE notes separate Count
Diagnostic	Thorough PCB , MOTOR , Sensors Diagnostic at start up , ensuring perfect Count + sort Logic cycle
Portability	7 kg. as Compact Sorter One Pocket
Spares + warranty	1 year Onsite + life time Spares support

Kindly Approach us for an Offer for UPGRADATION of Technology against your existing
 Any kind of Counting Machines bundle note , Fake note machines of any year &
 Evaluate Buyback offer as Discount , on ONE POCKET SORTER & TRUE FAKE NOTE
 SORTER ... CAC III

Pan India Network , & Replacement system Management .

**Software & power supply , made in INDIA and further heading
 towards “MAKE in INDIA” project**

**Very useful to Front end cashier for faster processing &
 Reducing Queue Management load .**

Future Upgrade via Email , even , when Currency Changes !

New Fake note Data , found can be update & Money back facility
